

Bonus Antlerless Deer Harvest Authorizations

Hunters can choose to purchase additional antlerless harvest authorizations to accompany their deer hunting license. These authorizations are only available in certain management units. Each unit has a limited number available, and they are sold on a first come-first served basis. Customers can purchase one bonus per person per day. Bonus harvest authorizations will appear on your terminal only after the sale begins

- **Customer Catalog.** Select the "[Hunt/Trap](#)" tab. Select the **Bonus Antlerless Deer Harvest Authorization** from the Featured Product list on the Customer Catalog.

- **Harvest Authorization choices.** On the next screen, select the deer management unit/zone and the land type for the tag. Select the [map link](#) to display a map of all the deer management units and their boundaries. Then select the [Management Zone/Unit](#) from the drop-down list that the customer plans to hunt. The drop-down list will display the deer management units available (you may see some units that are sold out and cannot be selected). The customer must designate the land type for the tag requested ([public or private land](#)).

The screenshot shows a form titled 'Bonus Antlerless Deer Harvest Authorization'. It contains a description of the authorization, a price section with a link to a map, and fields for 'Management Zone/Unit', 'Time Period', and 'Land Type'. Red arrows point to the 'MAP' link, the 'Management Zone/Unit' dropdown, the 'Land Type' radio buttons, and the 'Add To Cart' button.

Bonus Antlerless Deer Harvest Authorization

Allows the holder of a valid license that authorizes deer hunting (gun, archer or crossbow) the harvest of an additional antlerless deer in a specified deer management unit and land type. Not all deer management units will have permits available.

These are sold on a first come, first serve basis and individuals may purchase one bonus permit per day until each unit is sold out (and must possess a valid deer hunting license in order to purchase an antlerless bonus permit).
