

# Bonus Antlerless Deer Harvest Authorizations

Hunters can choose to purchase additional antlerless harvest authorizations to accompany their deer hunting license. These authorizations are only available in certain management zones (counties). Each county has a limited number available, and they are sold on a first come-first served basis. Customers can purchase one bonus per person per day. Bonus harvest authorizations will appear on your terminal only after the sale begins

- **Customer Catalog.** Select the “[Hunt/Trap](#)” tab. Select the **Bonus Antlerless Deer Harvest Authorization** from the Featured Product list on the Customer Catalog.
