

Duck Hunting

Hunting for Ducks requires a Small Game License, HIP certification, and the State and Federal Waterfowl stamps (stamps are only required for hunters age 16 and up). Continue for detailed instructions:

- **Customer Catalog.** Select the **Hunt/Trap** tab. Select the Small Game License from the Product list

- **License add-ons.** The next screen shows the license selected, the price, and the option for add-ons:
 - HIP Survey is required if the customer plans on hunting migratory game birds (ducks, geese, woodcock, etc.)
 - The State Waterfowl Stamp and Federal Duck Stamp are required for any hunters 16 years or older who wish to hunt ducks. **IMPORTANT: Hunters less than age 16 do not need either stamp.**

The screenshot shows the 'Small Game License (Resident)' add-on selection screen. It includes a description of the license, a price field, and two sections for add-ons: 'Add-on No Cost' and 'Add-on At Cost'. In the 'Add-on No Cost' section, the 'HIP Survey' checkbox is checked and highlighted with a red arrow. In the 'Add-on At Cost' section, the 'Waterfowl' and 'Federal Duck' checkboxes are checked and highlighted with red arrows. At the bottom, there are 'Cancel' and 'Add To Cart' buttons.

- **HIP Certification.** If HIP certification was selected, you will be asked a series of survey questions that the customer must answer. This info is used to calculate harvest from the previous year and help determine the regulations for next year.

The screenshot shows the 'HIP Survey' form. It starts with the text 'You are required to answer each of the following.' and lists four questions, each with radio button options: '# of ducks bagged in Wisconsin last season?', '# of geese bagged in Wisconsin last season?', '# of woodcock bagged in Wisconsin last season?', and '# of mourning doves bagged in Wisconsin last season?'. Each question has options for 'Didn't Hunt', '0', '1-10', '11-30', and '31+'.

The screenshot shows a question: 'Did you hunt rails or moorhens in Wisconsin last season?' with radio button options for 'Yes' and 'No'. Below it is another question: 'Did you hunt coot or snipe in Wisconsin last season?' with radio button options for 'Yes' and 'No'. At the bottom, there are 'Back' and 'Continue' buttons.

- **Shopping Cart.** Once in the shopping cart, review the contents with the customer. Make sure they have all the add-ons they asked for. Select checkout to continue or Keep Shopping if they request more.
