VALID FOR FEDERAL MIGRATORY BIRD HUNTING STAMP

This is your Federal Migratory Bird Hunting and Conservation Stamp and MUST BE CARRIED AFIELD AS PROOF OF PURCHASE. The U.S. Fish and Wildlife Service will mail you the physical stamp after the federal migratory seasons have ended (March-June the year after purchase). If you do not receive the stamp, please call 1-800-852-4897. You are NOT required to sign this document prior to hunting.

Important:

The Federal Migratory Bird Hunting Stamp is not required for hunters under age 16.

Hunters will receive the physical stamp in the mail from the US Fish & Wildlife Service. The printed paper license receipt listing the Federal Migratory Bird Hunting Stamp must be carried when hunting migratory birds. If customers do not receive their physical stamp at the end of the federal migratory season, there is a number on the bottom of the stamp receipt that they can call.

VOIDS: The Federal Duck Stamp can only be voided the SAME DAY IT WAS SOLD. After that, there are no voids or refunds allowed, as the files are already sent to the contractor for fulfillment of the physical stamp.

REFUNDS: Wisconsin DNR is considered a vendor of the Federal Migratory Bird Hunting Stamp and we cannot issue refunds since this money is sent to US Fish & Wildlife Service. US Fish & Wildlife Service does not issue refunds for stamps. USFS will issue a receipt to the customer and that can be used for tax purposes; the stamp purchase would then be considered a donation.
