- At the end of the transaction, you will print a document that the customer may use to hunt waterfowl temporarily (45 days) while they wait for their physical stamp to arrive by mail. The stamp is mailed from the US Fish and Wildlife Service. If they do not receive their physical stamp within the 45 days, there is a number on the bottom they can call.

Important:

Hunters will receive the physical stamp in the mail within 45 days of purchase and are mailed by a contractor of the US Fish & Wildlife Service. The printed paper license receipt listing the Federal Duck Stamp can be used for hunting purposes and it will be listed on the license receipt along with the other purchases.

In Wisconsin, the physical stamp does NOT need to be attached to the license, but must be carried by the hunter. In addition, the hunter is to sign their name across the face of the stamp.

Voids: The Federal Duck Stamp can be voided SAME DAY ONLY. After that, we cannot void the stamp transaction as the files are sent to the contractor for fulfillment.

Refunds: Wisconsin DNR is considered a vendor of the Federal Duck Stamp and we cannot issue refunds since this money is sent to US Fish & Wildlife Service. US Fish & Wildlife Service does not issue refunds for stamps. USFS will issue a receipt to the customer and that can be used for tax purposes; the stamp purchase would then be considered a donation.
