

Fisher Application

There is an application process for hunting Fisher. The deadline for submitting this application is August 1. They will have the option to be entered into a drawing which will determine if they receive a harvest tag. They will receive their harvest tag in the mail if they were successful in the drawing.

- Select the [Applications](#) button on the Customer Dashboard. You can also find it under the Hunt/Trap button as well.

- Select the **Fisher Application** from the Products list. This product will not show on your screen after August 1.

Product Name	Description	Price
2016 Fisher Application	Aug 1 deadline for the Fisher permit drawing. ...	\$3.00

- The next screen will show the application description and price. You must then choose if the customer wishes to apply for a **Preference Point only or Harvest Permit**. If they choose preference point only, you will be directed to the shopping cart immediately. If they select Harvest Permit, additional information will be required on the next screen. Select Add to Cart.

2016 Fisher Application

Aug 1 deadline for the Fisher permit drawing. You may change your choices any time before the deadline either online through your Go Wild account or by contacting the DNR InfoCenter.

Apply for a Harvest Permit and enter the permit drawing or select 'Preference Point Only' to accumulate points for future drawings. Unsuccessful applicants will receive one preference point to be used in future Fisher permit drawings. You must apply once every three years to retain your preference points.

Printing – The system will print a paper receipt showing the customer did submit their application. There is no license document since this is just an application. Ask the customer to review the choices printed on the receipt to make sure they are correct. It is a good idea that they hang on to this receipt as proof of application. They will receive their harvest tag in the mail if they were successful in the drawing.
