

New Buyer Archery/Crossbow Combo

If a customer asks for a crossbow license, but also qualifies for the New Buyer pricing on an archery license, the system offers a “combo” on both licenses for a reduced rate. The Archery license is sold at the \$5 New Buyer rate, and the Crossbow upgrade is offered along with it for \$3. It is less expensive than purchasing a \$24 crossbow license.

Search for the customer and make your way to the **Customer Dashboard**. Select the “[Hunt/Trap](#)” tab.
