- **Vehicle List.** The next screen will show a list of recreational vehicles registered in the customer's name. Notice the Status and Expiration Date. If a vehicle is expired, it will have the option to touch Renew. If there is no option to renew, have the customer confirm the expiration date on the vehicle.

- **Renew Registration.** The next screen will list the vehicle type and the price for the requested renewal. Boats and snowmobiles are registered for a period of three years, while ATVs are registered for a period of two years. Touch the Select button to continue.

- **Add-on Trail Pass.** If the vehicle is a snowmobile, the system will also offer a Trail Pass add-on for the customer. Check the box if they wish to purchase them together. Select Add To Cart.
