Wisconsin Snowmobile Trail Pass

Looking to sled on Wisconsin's public trails? The Wisconsin Annual Snowmobile Trail Pass is required, in addition to a current Wisconsin Public Snowmobile Registration, to operate on any public trail open to snowmobiling. Snowmobiles with antique registrations are exempt from the trail pass requirement. Association of Wisconsin Snowmobile Clubs (AWSC) members may contact the AWSC directly to obtain a discounted pass. Trail pass purchases are non-refundable.

IMPORTANT: Snowmobiles are required to have both a public registration AND an annual Wisconsin snowmobile trail pass. Owners of snowmobiles registered in another state may purchase a non-resident trail pass. This trail pass requires that you enter your registration number to verify trail pass eligibility. Remember to carry your temporary trail use receipt while riding until your trail pass decal arrives in the mail.
