

# Trapping License

Search for the customer and make your way to the **Customer Dashboard**. Select the "[Hunt/Trap](#)" tab.

Select the appropriate **Trapping License** from the Product list on the Customer Catalog.

Products		
Product Name	Description	Price
Trapping License (Resident)	Authorizes the use of traps for trapping furbearin...	\$20.00

The next screen shows the license selected, the price, and the requirement for Trapper Safety Education certification. The customer has three options to qualify to purchase the trapping license. One of the following must be met:

- The customer already has a certification for Trapper Safety, and must provide their trapper education number and state they completed the course.
- The customer states they have purchased a Wisconsin trapping license prior to 05/12/1992
- The customer is an active farmer per WI Statute 102.04(3)

**Trapping License (Resident)**

Authorizes the use of traps for trapping furbearing animals. Permits are required in addition to the license to trap bobcat, otter or fisher.

NOTE: Residents who graduated from a Wisconsin Trapper Education course for the first time this year, their safety certificate serves as a trapping license until March 31 of the year AFTER it was issued.

Price: \$20.00
