

Spring Turkey Application

A customer must first pay the application fee and submit their hunting zone/time choices. The deadline for submitting this application is December 10. They will then be entered into a drawing which will determine if they receive a harvest authorization. They will receive notice in the mail if they were successful in the drawing.

- **Customer catalog.** Select the **Applications** tab. Select Spring Turkey Application from the Products list.

The screenshot shows a navigation bar with tabs: Hunt/Trap, Fish, Applications (highlighted with a red arrow), Trails & Parks, and Misc/Other. Below the tabs is a 'Products' section. The first product listed is 'Spring Turkey Application' with a description: 'Dec 10 deadline. You must apply once every three years to retain your preference points.'

- **Landowner preference.** Ask if the customer if they wish to claim landowner preference. **Note: the customer must own a minimum of 50 contiguous acres to qualify.** Have the customer read the qualifications and check either **Yes or No**. More information is required to enter if they answer yes.

Question #1 = YES [Customer wishes to claim landowner preference] or NO [they do not]

Question #2 = YES [the preference being transferred from someone else] or NO [customer is the landowner]

Question #3 = Select the county in which the customer is claiming this landowner preference.

The screenshot shows a questionnaire for landowner preference. Question 1 asks if the customer meets the criteria to claim landowner preference (owning 50+ acres or having preference transferred). Question 2 asks if the preference is being transferred from someone else. Question 3 asks for the county where the land is located, with a dropdown menu labeled 'Please Choose...'. A red note states: 'You must select the corresponding Turkey Management Zone/Unit in which the land is located as your first choice in the hunting zones below: ** Please note that your application is not submitted until you complete the checkout and receive a confirmation receipt.'

- **Application choices.** Enter the turkey hunting zone(s) and time(s) that the customer requests. Select the **View Zone Map** to view the turkey management zone boundaries. They can make up to three zone choices, and should indicate their choices in order of preference, with the most desired zone first. **Note: A minimum of one choice is required. The 2nd and 3rd choices are optional, but diversifying the choices increases the likelihood of success.**

The screenshot shows the 'Zone and Time Period Choice(s)' form. It has a 'View Zone Map' button. Below it, it asks the user to select specific zone and time period combinations. There are three choice options, each with a dropdown menu labeled 'Please Choose...'. Red boxes and arrows highlight the requirements for each choice: Choice #1 (required) is to choose any zone and any time period; Choice #2 (optional) is to choose any zone and any time period; Choice #3 (optional) is to choose a zone only, which could result in drawing any time period A-F, and only if the customer would accept any time period in that zone.

- **Group Application.** If the customer wishes to apply as a group, enter the **group leader number**. You will be asked to verify the group leader number by selecting the **Lookup Group Leader** button. You will see an indication that the group leader lookup was successful (see below) or receive an error message to try again.

Group Application

Each member of the group must submit an application. If group members have different preference status, the lowest preference will be used for the group. Group members must request identical zones and time periods in the same order. If different, the choices on the group leader's application will be used. For Spring Turkey groups - group members claiming landowner preference will lose that preference if the zone differs from that of the group leader's.

Select one member of the group as the 'Group Leader'. Enter the Group Leader's DNR Customer ID Number on each group member's application. The Group Leader must enter his/her own DNR Customer Number as well. Failure to enter a Group Leader's DNR Customer Number will disallow you from the group.

Group Leader # (optional)

- **Notification Preferences.** Customers may choose to allow an email confirmation for their drawing results. Select Yes or No and then Add to Cart.

Notification Preferences

*If you would like your drawing **winner** notification emailed to you, please select yes below. You are responsible to keep the email address on your Go Wild account updated so you receive the notification. Your email must also be verified by the time we run the drawing to receive your notification (to verify log into gowild.wi.gov). If you select no or your email is not verified, you will receive a post card in the mail. Your drawing results are also displayed on your Go Wild dashboard after the drawing has been completed.*

If you are successful in the drawing, do you want to be notified via the email address on your account? *Required*

☐ Yes ☐ No

Keep Shopping **Checkout**

- **Printing** – The system will print a paper receipt showing the customer did submit their application. There is no license document since this is just an application. Ask the customer to review the choices printed on the receipt to make sure they are correct. It is a good idea that they hang on to this receipt as proof of application.
