

# Awarded Spring Turkey

Three items are needed in order to hunt turkey: Turkey License, Turkey Stamp, and Turkey Harvest Authorization. Once the drawing is done, customers will be notified by mail that they have been awarded a spring turkey harvest authorization. It will be posted in their account by DNR, and they may then also purchase their turkey license and stamp.

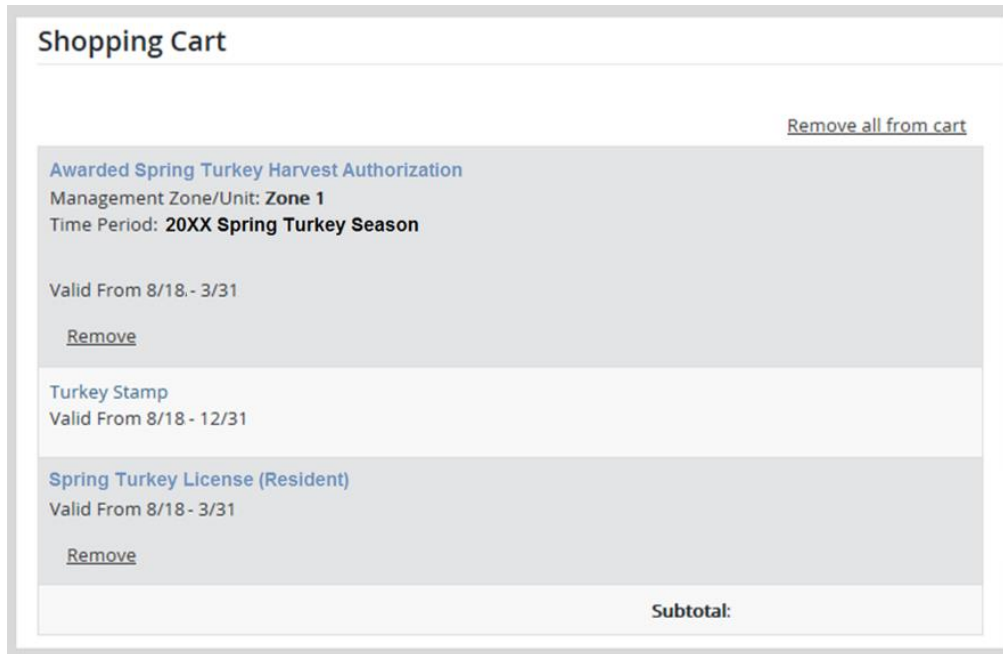

- **Customer Catalog.** Select the **Hunt/Trap** tab. Select the [Awarded Spring Turkey Harvest Authorization](#) under the Featured Products list. The price for the tag itself will show \$0, but they will be charged more for the license and stamp in a later step.

- **Harvest Authorization choices.** The [Awarded Turkey Harvest Authorization](#) will be automatically selected for you. If the customer has not yet purchased their spring turkey license, the system will require you to choose either the spring turkey license or the Conservation Patron at this time under the **Required** section. The selected license will also include the required turkey stamp. Select the one the customer wants and Add to Cart.

- Shopping Cart.** The Shopping Cart will display all three items required for turkey hunting. The Harvest Authorization for turkey is \$0, the turkey stamp is \$5.25, and the turkey license is \$15.00. Make sure to confirm the zone and time period on the tag before finalizing the purchase.

- Printing.** Checkout, confirm payment, and have the customer sign. The printed document will display the turkey license, stamp, and the Harvest Authorization, with zone and time period listed. Give all printed documents to the customer. Note the zone and time period are correct.

**Turkey License:** This is the actual license document that the hunter may carry as proof of license approval. It includes the stamp approval. This document may be substituted by a DNR verified driver license or Go Wild conservation card.

**Turkey Harvest Authorization:** Give this item to the customer. It is no longer required to be attached to the bird. The turkey must still be registered, so information on this document is required for registration purposes.
