

Disabled Veteran Turkey Harvest Authorization (Spring Only)

Resident disabled veterans with a disability rating of 50% or more for a service-connected disability are able to purchase one spring turkey harvest tag for any unit and time period, regardless if that unit has been sold out. When this product is chosen, the system will display a screen that requests the qualifications needed.

- **Customer Catalog.** Select the **Hunt/Trap** button. Select the **Resident Disabled Veteran Turkey Tag**

- **Harvest Authorization choices.** Next select the **Management Zone** the customer would like for their harvest authorization. If the customer has not yet purchased their turkey license, the system will require you to enter a license option under the **Required** section. - **License Qualifications.** The next screen will require proof of qualifications to purchase. The customer must provide one of the listed qualifications listed on screen. If so, select the **Continue** button. If not, select the Cancel button.
