

# Upriver Sturgeon Spearing: Permit Application

There is an application process for Upriver Sturgeon. The deadline for submitting this application is August 1. This tutorial is for the application if a customer wants to apply for the harvest tag.

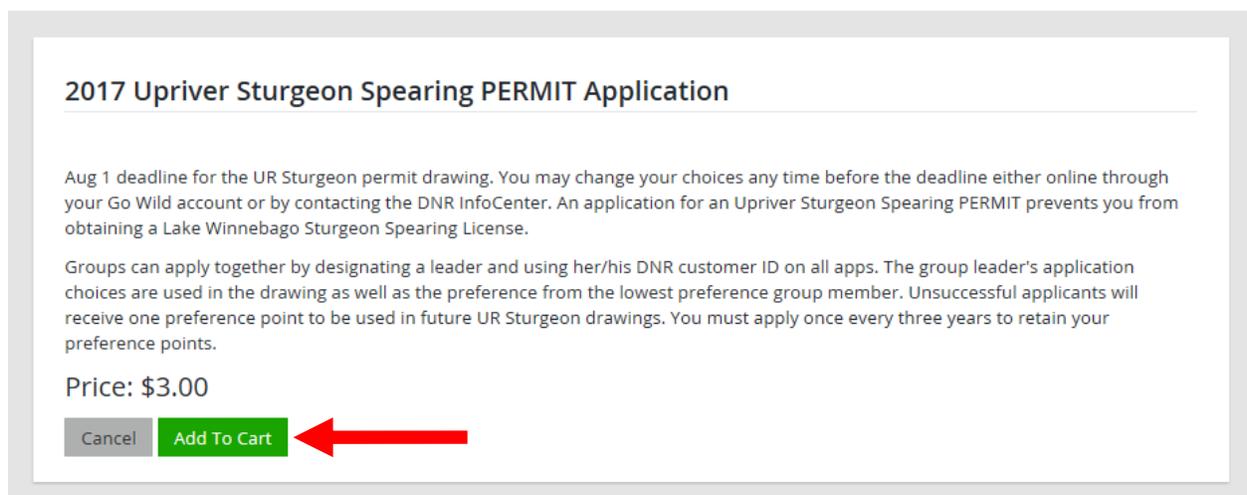

- Select the [Applications](#) button on the Customer Dashboard.

- Select the **Upriver Sturgeon Spearing PERMIT Application** from the Products list. This product will not show on your screen after August 1. By choosing this product, the customer will receive their preference point for Upriver Sturgeon Spearing, and WILL be placed in the drawing to receive a tag.

Products		
Product Name	Description	Price
2017 Upriver Sturgeon Spearing PERMIT Application	Aug 1 deadline for the UR Sturgeon permit drawing....	\$3.00

- The next screen will show the application description and price. By choosing this application, the customer will be placed in the drawing to receive an upriver tag, and cannot purchase their Lake Winnebago Sturgeon Spearing License at this time. If they are unsuccessful in the drawing, they may then purchase their Winnebago Sturgeon Spearing license. Select Add to Cart.

- The next screen will ask you to put the zone and time period choices for the Upriver Sturgeon tag. Since there is only one season and one zone, you do not need to make any selections here. The last item will ask if the customer wishes to apply with a group application. Have the customer read the group application description and add their **group leader number** if applicable.

**Group Application**

A maximum of 4 people, who wish to hunt together, may apply as a group. Each member of the group must submit an application. If group members have different preference status, the lowest preference will be used for the group. Group members must request identical zones and time periods in the same order. If different, the choices on the group leader's application will be used.

Select one member of the group as the 'Group Leader'. Enter the Group Leader's DNR Customer ID Number on each group member's application. The Group Leader must enter his/her own DNR Customer Number as well. Failure to enter a Group Leader's DNR Customer Number will disallow you from the group.

**Printing** – The system will print a paper receipt showing the customer submitted their application. Ask the customer to review the receipt to make sure they are correct. It is a good idea that they hang on to this receipt as proof of application. They will receive their harvest tag in the mail if they were successful in the drawing.
