

Bear Permit Notification

A notification is sent by mail to successful applicants who have drawn a tag to harvest a bear. An example of the postcard they receive is shown below. Customers will often request to purchase their tag early, but they cannot purchase until the new licenses go on sale in March 1. At that time, the license terminal is updated and will display the eligible bear license in their record, along with the zone they were awarded. **Note: This postcard is not required at the time of purchase of their license.**

Front

Wisconsin Department of Natural Resources

You can purchase your Bear Harvest License anytime on or after **March 1**. Use our online license sales site, GoWild.WI.Gov or visit one of our many license sales agents.

The Bear Harvest License is \$49 for residents and \$251 for non-residents.

We recommend you purchase your Bear Harvest License prior to the start of the season in September.

If you choose not to purchase a Bear Harvest License, your preference points will not be reinstated.

DO NOT PURCHASE your license if you are interested in transferring your permit to a qualified individual, please visit dnr.wi.gov keyword search 'permit transfer' for additional information.

You will receive registration instructions in the mail this summer.
