

# Free Farmer Bonus Antlerless Harvest Authorization

Eligible resident farm owners can receive one free unit-specific Antlerless Deer Carcass Tag for each unit-specific Bonus Antlerless Deer Carcass Tag they purchase for the same DMU and land type, if still available.

## HOW TO PURCHASE:

1. The customer must first purchase a bonus antlerless harvest authorization in the deer management unit their farm is located.
2. Once in the shopping cart, select Keep Shopping, and then go into **Hunt/Trap**. The Free Farmer Bonus is near the bottom of the list of items:

3. When you select the product, it will allow for a free harvest authorization for the same unit and land type as the bonus the customer purchased earlier.
4. The last screen will show the requirements to receive this free harvest authorization (see below). The he customer must meet all of these requirements.

**The customer must meet each of the following requirements:**

1. Is an active farmer per Wisconsin Statute 102.04(3); AND
2. The majority of the land is used on a commercial basis for agricultural purposes; AND
3. The farm is located in whole or partially in the DMU for which he/she is applying.

Customer meets all of the above requirements.
