

Awarded Spring Turkey

Three items are needed in order to hunt turkey: Turkey License, Turkey Stamp, and Turkey Harvest Authorization. Once the drawing is done, customers will be notified by mail that they have been awarded a spring turkey harvest authorization. It will be posted in their account by DNR, and they may then also purchase their turkey license and stamp.

- **Customer Catalog.** Select the **Hunt/Trap** tab. Select the [Awarded Spring Turkey Harvest Authorization](#) under the Featured Products list. The price for the tag itself will show \$0, but they will be charged more for the license and stamp in a later step.

- **Harvest Authorization choices.** The [Awarded Turkey Harvest Authorization](#) will be automatically selected for you. If the customer has not yet purchased their spring turkey license, the system will require you to choose either the spring turkey license or the Conservation Patron at this time under the **Required** section. The selected license will also include the required turkey stamp. Select the one the customer wants and Add to Cart.

- Shopping Cart.** The Shopping Cart will display all three items required for turkey hunting. The Harvest Authorization for turkey is \$0, the turkey stamp is \$5.25, and the turkey license is \$15.00. Make sure to confirm the zone and time period on the tag before finalizing the purchase.
