

Upriver Sturgeon Spearing Application

The Upriver Sturgeon Application deadline is 11:59pm on August 1. Customers are applying for a permit to spear sturgeon on the Upriver lakes and NOT Lake Winnebago. An application for an Upriver Sturgeon Spearing Harvest Permit prevents you from obtaining a Lake Winnebago Sturgeon Spearing license until after the drawing has been completed. If the customer is unsuccessful, then the Winnebago spearing license will be available in the license list again.

Upriver Sturgeon Spearing Application

Aug 1 deadline for the UR Sturgeon permit drawing. You may edit your application any time before the deadline. An application for an Upriver Sturgeon Spearing Permit prevents you from obtaining a Lake Winnebago Sturgeon Spearing License.

Groups can apply together by designating a leader and using her/his DNR customer ID on all apps. The preference from the lowest preference group member will be used to determine the drawing rank. Unsuccessful applicants will receive one preference point to be used in future UR Sturgeon drawings. You must apply once every three years to retain your preference points.

Group Application

Each member of the group must submit an application. If group members have different preference status, the lowest preference will be used for the group. Group members must request identical zones and time periods in the same order. If different, the choices on the group leader's application will be used. Group members claiming landowner preference will lose that preference if the zone differs from that of the group leader's.

Select one member of the group as the 'Group Leader'. Enter the Group Leader's DNR Customer ID Number on each group member's application. The Group Leader must enter his/her own DNR Customer Number as well. Failure to enter a Group Leader's DNR Customer Number will disallow you from the group.

- **Printing** – The system will print a paper receipt showing the customer submitted their application. Ask the customer to review the receipt to make sure they are correct. It is a good idea that they hang on to this receipt as proof of application. They will receive their harvest tag in the mail if they were successful in the drawing.
